DENVER, COLORADO | 850-341-0325 | [DREWSKI620@GMAIL.COM](mailto:DREWSKI620@GMAIL.COM) | [DREWSKI620.GITHUB.IO/PORTFOLIO](https://DREWSKI620.GITHUB.IO/PORTFOLIO)

---

A front end web developer with a passion for creating functional and aesthetically-pleasing websites and landing pages, with an emphasis on front end features to improve the overall user experience.

## OBJECTIVE

To obtain a challenging, yet rewarding position as a front end web developer, to further career goals and help contribute to professional projects that are streamlined, intuitive, and impactful.

## TECHNICAL SKILLS

**Languages:** HTML, CSS, Javascript, React.js, Bootstrap

**Database:** MongoDB

**Other:** Command Lines, Git, Version Control (GitHub), Responsive Design

## TRANSFERABLE SKILLS

- Initiative
- Accountability
- Leadership & Management (people and projects)
- Mentorship
- Large and Small Group Collaboration
- Conflict Resolution
- Adaptability
- Creative Thinking
- Troubleshooting

## PROJECTS

### **DENBIZ Local Business Directory** [Live Demo](#) | [GitHub Repo](#)

An application that allowed local businesses in Denver to register and add their business information to a directory, where they would also have the opportunity to be a featured spotlight on the homepage.

*Personal Contribution: HTML, CSS, Javascript, Look & Feel, Responsive Design*

### **Denver Through the Decades - Historical Timeline** [Live Demo](#) | [GitHub Repo](#)

A website that featured an interactive timeline with historical facts based on Denver's history. Users can also register and contribute content or update/dispute content that may not be historically accurate.

*Personal Contribution: HTML, CSS, Look & Feel, Responsive Design*

### **What Planet Are You From - Clickbait Quiz** [Live Demo](#) | [GitHub Repo](#)

A group project where the overall goal was to pull images from an API to create a fun and interactive quiz that returns an answer/summary using Javascript, using BuzzFeed as inspiration.

*Personal Contribution: HTML, CSS, Javascript, Look & Feel, Responsive Design*

## EDUCATION

### **University of Denver Coding Boot Camp**

*March 2020–June 2020 | 240 Hours*

Full-stack web development, including HTML5, CSS3, JavaScript, jQuery, Node.js, React.js, MongoDB, MySQL, Git, and more.
